If I learn of an issue, I am aware that I have an obligation to communicate it to the School, including by bringing it to the attention of the VSSA Co-Presidents, the Viewpoint liaison to the VSSA or Viewpoint Administration, including the Head of School, as appropriate, and that I should not attempt to deal with the situation individually.
4. To recognize the importance of the advancement program of the School, including by understanding that financial support of the Annual Fund is required.
